

the **core**

dna analysis facility

A division of the Genetic Resources Core Facility

**is celebrating 19 years of
service to the Johns Hopkins**

community!

During the month of January:

**Get 19% off all sequencing or
standard oligo orders of 19 items
or more!**

(Oligos must be standard synthesis, no modifications or purification. 19 items must be ordered at the same time to be eligible for discount)

New customers: call 5-2836 to set up your Finch server login.

**We are located in Blalock 1004 and offer free
delivery to your lab on all oligos.**
