

How to Register To GRCF TMO Dashboard

- **In order to access the JHU GRCF Dashboard, customer needs to login from within their thermofisher.com account.**
- Customers with existing thermofisher.com profiles first need to submit a request to link their profiles to the JHU GRCF Dashboard. After account linkage is completed, the JHU GRCF Dashboard will appear on their thermofisher.com profile.
 - Customers without a thermofisher.com profile will need to create one (self-service or we can prepare on their behalf per request).

1. Existing customers with thermofisher.com profiles/account, can submit their request to link their profiles to the JHU GRCF Dashboard in the following steps:

Email the information below to supplycenters@thermofisher.com requesting to link their profile to the JHU GRCF Dashboard:

- Name
- Email address
- Company or institution name
- Dept or lab name
- Street address, City, State, Zip Code, Phone Number
- Direct Ship To (if known)
- Site Name: Johns Hopkins Univ - GRCF Portal
- Site Ship To: JOHNS HOPKINS UNIV [69198998]

Expect 24 hours for the supplycenters@thermofisher.com to finalize the accounts linkage process. Once your account is successfully linked to JHU GRCF Dashboard, you will see the below menu when you log in to www.thermofisher.com

Option 2: Self-service

1. Go to the **thermofisher.com** homepage. Using the sign in drop down click on Register

2. Fill-in your first name, last name, email and a password into the registration form.

The screenshot shows the registration form on the ThermoFisher Scientific website. The form is titled "Why you should create an account" and lists several benefits of creating an account. Below the benefits are four input fields: "First name: *", "Last name: *", "Email: *", and "Password: *". The "Email" field has a note "This will be your username". Below the "Password" field is a "Password strength" indicator. At the bottom of the form, there is a checkbox labeled "Don't miss out *" with the text "I'd like to receive information about Thermo Fisher Scientific products and services via telephone, email, or other electronic means." and two radio buttons for "Yes" and "No".

3. Select yes or no if you'd like to receive information about Thermo Fisher Scientific products and services.
